CASE NO. C22-594 MJP

ORDER ON STIPULATED
MOTION TO VACATE
DEADLINES AND ORDER
SETTING NEW CASE SCHEDULE

This matter comes before the Court on the Parties' Stipulated Motion to Vacate Deadlines Pending Class Certification Ruling. (Dkt. No. 84). Having reviewed the Motion and all supporting materials, the Court GRANTS, in part, the Motion and ORDERS as follows:

(1) The Court finds good cause to alter the existing trial date and case schedule in light of the impact that the discovery disputes had on completing class-related discovery and the briefing on class certification.

(2) While the Court finds good cause to extend the case deadlines and trial date, it does not believe that vacating the trial and remaining case deadlines presents the most efficient way to deal with the discovery-related delays and their impact on the pending class certification motion. Instead, the Court finds that an extension of the trial date and remaining case deadlines by an additional three months will provide the Court with sufficient time to decide the motion for class certification without causing the Parties to needlessly expend resources or be unable to complete the remaining pre-trial tasks within the new deadlines. The Court therefore ORDERS the following new case schedule:
